

TO PRESS ALLIED DEBT AND BONUS BILLS

ACTION TAKEN AT PARTY CONFERENCE HELD WEDNESDAY

Vote on Refunding Bill Is Unanimous—Division on Bonus Measure—Leaders Say That Size of Majority Insures Passage of the Bonus Bill at This Session of Congress

(By The Associated Press)
WASHINGTON, Jan. 18.—Senate Republicans voted today in party conference to press the allied debt refunding bill and a soldiers' bonus bill in that order. There was a disagreement as to details of the two measures and the conference adjourns until tomorrow.
The vote to press the refunding bill was unanimous, but the conference divided on the bonus measure.
Republican leaders said the size of the majority insured passage of a bonus bill at this session. While there was no division on the allied debt bill, it developed that the measure, as reported by the finance committee, met with some objection, inquiry being made especially as to the reason for the elimination of the provision requiring semi-annual payment of interest on the refunded bonds of the debtor nations. It was understood that Senator Borah of Idaho, and some other Republicans were ready to join with Democrat senators in demanding that this provision be retained in the measure.

POSTPONEMENT OF CONSPIRACY CASES IS LIKELY

Curtis Quarantined on Account of Diphtheria

(By The Associated Press)
SPRINGFIELD, Ill., Jan. 18.—Indefinite postponement of the Small-Curtis conspiracy cases at Waukegan was in prospect tonight when word reached State Attorney C. F. Mortimer of Sangamon county that Vernon C. Curtis co-defendant with Governor Len Small is quarantined at his Grant Park, Ill., home, where his son is ill with diphtheria.
The information came to Mr. Mortimer from C. C. LaFarge, chief counsel for the defense. In these cases involving alleged conspiracy to loot the Illinois state treasury.
Notification of the quarantine at the Curtis home was given to the Sangamon county prosecutor by Mr. LaFarge when he sent word to Springfield that copies of the affidavits asking for separate trials for the defendants would probably reach Mr. Mortimer by messenger tonight.
Resumption of the proceedings at Waukegan next Saturday—the time set for arguments on motions for separate trials—is possible with Governor Small present Mr. Mortimer said. The state attorney stated, however that it was his desire to have both defendants present in court when the question comes up. The new turn of events was to be placed before Judge Claire C. Edwards, presiding at Waukegan, tonight for suggestions and the probable ruling on proceedings tomorrow.
State Attorney Mortimer said he was prepared to submit the prosecution's list of witnesses next Saturday. The list he said, would be "quite lengthy."
Affidavits in support of motions for separate trials for Governor Small and Curtis declare that articles in several newspapers adverse to the governor would be prejudicial to Curtis in a joint trial.
Copies of the affidavits setting forth the basis of the defendant's claims were delivered to State Attorney Mortimer tonight in accordance with an agreement by the defense.
McGOVERN WANTS TO COACH GOPHERS
MINNEAPOLIS, Minn., Jan. 18.—John F. McGovern, all-American quarterback and a captain of the Gopher eleven in 1909 will formally throw his hat into the ring as candidate for the football coaching job at the University of Minnesota tomorrow.
Madras, British India, Jan. 18.—The Prince of Wales started for Bangalore today on the first stage of a long journey thru Central India and into the heart of Kashmir. Today marked the half-way of the prince's Indian tour.

AMERICAN OPEN DOOR PROGRAM STILL BOTHERS

Is Accepted Only in Part by Far East Committee

(By The Associated Press)
WASHINGTON, Jan. 18.—The American open door program was accepted in part today by the Far East committee of the arms conference, but approval was given only after elimination of the provision which would have specifically authorized an inquiry into existing concessions in China.
The French renewing their objection to re-opening the whole field of concessions granted in the past were seconded by the Japanese and the proposal was finally thrown out entirely at the suggestion of the British. The Chinese reserved the right to call it up again later but the general impression among the delegates tonight was that it had been permanently side tracked so far as the Washington conference is concerned.
Viewed by many delegates as the most sweeping provision of the American plan, the existing concessions article was the center of debate in the committee from the moment of its presentation yesterday by Secretary Hughes until it finally was stricken out today, various delegates opposing it on the ground that it might lead to an almost endless inquiry into the validity of the maze of economic arrangements now in force throughout China.
For the American delegation, however, it was said tonight that the eliminated article was not considered of vital importance. As adopted the open door resolution contains a mutual pledge not to seek spheres of influence or monopolies in China in the future and authorizes creation of an international board of reference with power to investigate and report on any case which seems to involve violation of the principle of equal economic and commercial opportunity.

Say Ground for Discussion.
Turning to the problem of railway control in China the committee laid the ground for tomorrow's discussions by hearing two resolutions proposed for promoting equitable development of Chinese rail facilities.
The first, introduced by Sir Auckland Geddes of the British delegation would pledge the power against discriminatory practices of roads under their control. The other proposed by Secretary Hughes would express a hope that the transportation lines in China might be welded eventually into a unified system under Chinese control.
The separate negotiations between the Japanese and Chinese over the general Shaung problem were advanced one more step today by an agreement for return to China of the coal and iron mines in Kiaochow leased territory. On the pivotal question of the return of the Shantung railway, however, there were no further developments but delegations saying they were still awaiting instructions from their governments.
In the negotiations relating to the naval treaty there also was a complete lapse of activity the section dealing with Pacific fortifications remaining in an uncertain status.
The interested delegations are said to be waiting for further instructions on that point too.
In Chinese quarters the subject of existing concessions is regarded as one of the most important of the issues of the far east and it is asserted that the proposal taken out of the open door resolution today is certain to find its way back into the discussions in one form or another.
The position of the Chinese is that until there has been a complete readjustment of the concessions arrangement in China, full economic and commercial development will be impossible.

ILLINOIS TO BAR MISSOURI COMPANIES

(By The Associated Press)
SPRINGFIELD, Ill., Jan. 18.—Between twenty and thirty Missouri insurance companies will be barred from doing business in Illinois until they comply with the retaliatory insurance law of 1921 and make deposits of \$25,000 each for the protection of policy holders, T. J. Houston, Illinois superintendent of insurance, said here tonight.
Under the Illinois laws reciprocal insurance companies must make the deposits, and the controversy with Missouri arose when a number of companies in that state refused to comply with the law, Mr. Houston said.
Letters to the defendant companies will be forwarded tomorrow, Mr. Houston said, as a result of a threat by State Insurance Superintendent Hyde of Missouri, to bar Illinois companies from operation in Missouri.

WILL PAY ALL CREDITORS IN FULL

NEW YORK, Jan. 18.—John E. Sheppard receiver for E. W. Wagner & Company, which recently went bankrupt with liabilities of \$7,500,000 and assets of \$5,000,000 was applauded by the customers' reclamation committee today when he announced that all creditors who had bought stock outright or on a margin would be reimbursed in full.
Customers had cash balances on the books of the defunct corporation will not be so fortunate Mr. Sheppard said.

SPRINGFIELD, Ill., Jan. 18.—Moderately cold weather in Illinois the week ending yesterday has done but little harm to growing wheat according to the weather bureau bulletin issued today. "Flooding has begun in Monroe county" the bulletin says. "Dirt roads are fair to good, but rough in places."

SPRINGFIELD, Ill., Jan. 18.—Police here today described as a "pipe-dream" the story told by Ed Wright, a local truck driver, of an alleged plot of 12 men, including himself, to wreck the Diamond Special of the Illinois Central railroad last night. Special guards were assigned the spot where he declared the attempt would be made last night, but nothing happened.

CHAMPAIGN, Ill., Jan. 18.—Clarence Cook and George Tweedy were killed at Rantoul, fourteen miles north of here, this morning when struck by Illinois Central passenger train number 8. Cook was employed at Champaign aviation field. Tweedy, a taxi cab driver, was taking him to the field when the accident occurred. Cook was killed instantly. Tweedy lived four hours. Cook was carried three blocks on the engine.

NEW YORK, Jan. 18.—Mysterious fires in two public schools in Manhattan, which endangered the lives of hundreds of pupils, have led to the arrest of three boys, after investigation showed that the fires started in waste paper baskets in empty class rooms.

Astoria, Ore., Jan. 18.—What was to be the first train load of news print paper to go into the interior of the United States thru a Pacific port, left here last night for Spokane. The paper was manufactured in Norway and was intended for buyers in that section.

WASHINGTON, Jan. 18.—The New York, Chicago and St. Louis railroad was granted permission by the interstate commerce commission today to issue \$4,035,000 in bonds, the proceeds to be used for reimbursement of capital expenditures already made and as collateral for advances from the government.

CHICAGO, Jan. 18.—Chicago policemen soon will be provided with wireless telephones according to plans which became known today. According to William G. Keith, superintendent of the city department of electricity every patrolman will be provided with an outfit by the end of the year.

The first instruments will be ready within a few weeks, Mr. Keith said. As now adjusted patrolmen merely can receive messages, but it is planned to perfect the instrument so that later messages also can be sent.

DAVENPORT, Iowa, Jan. 18.—Seventeen days jail for 17 miles of speeding was the sentence imposed on Wyatt Winters, 16 year old, this morning, after he had been pursued over much of the neighboring country yesterday afternoon by Davenport police officers. He was caught when his gasoline gave out. The phase was at rates of speed varying from 40 to 60 miles an hour.

HANNIBAL, Mo., Jan. 18.—Hannibal voters yesterday authorized a bond issue of \$125,000 for additions to the municipal electric light and power plant and new machinery. The vote was light, 1219 favoring the proposition with 74 against. It is to be a \$175,000 project, the city planning to use a sinking fund of \$50,000 it now holds in addition to the bond issue.

EUROPE REQUIRES HUGE QUANTITIES OF FOODSTUFFS

Department of Agriculture Makes Public Recent Summary

(By The Associated Press)
WASHINGTON, Jan. 18.—Europe this year will require huge imports of American foodstuffs the department of agriculture announced today in making public a summary of the report of C. F. Warren and W. F. Callender, who returned recently after making a study of European agricultural and market conditions. Germany alone is in need of 2,000,000 tons of imported foods before the next harvest and the United Kingdom, France, the Scandinavian countries, Czechoslovakia, Austria, Italy and Sweden are looking to America for great quantities to supplement their own supplies.

Excellent yields of wheat and rye were obtained before the severe drought of last spring developed, the investigators reported, but barley, oats, corn, potatoes, sugar beets and fodder crops were extensively damaged. Pasturage was so severely affected in some countries, it was said, that livestock was sold off with a resultant depression of meat markets and the drought delayed planting of winter wheat and caused a reduction in acreage.

Rumania, Hungary and Poland, normally surplus producing countries in 1920 and 1921 respectively, are looking to the remainder of Europe this year. Statistics on the total production in eighteen European countries in 1925 and 1921 respectively, were given in bushels as follows:

Wheat—846,691,000 and 1,050,640,000.
Rye—430,887,000 and 688,644,000.
Barley—430,456,000 and 462,543,000.
Oats—1,157,753,000 and 1,586,325,000.
Potatoes—2,690,435,000 and 2,399,517,000.
Corn—321,843,000 and 283,214,000.

HAYS WILL TAKE UP NEW DUTIES AFTER MARCH 4

Will Present Resignation to President at an Early Date

(By The Associated Press)
NEW YORK, Jan. 18.—Will Hays will become directing head of the new National Association of Motion Picture Producers and Distributors "immediately after March 4," it was announced tonight at a dinner at which the postmaster general was the guest of a group of motion picture officials. Mr. Hays' formal resignation from President Harding's cabinet will be presented soon it was said.

Mr. Hays announced that he had signed a contract which makes him executive head of the organization. His salary, reported as tentatively fixed at \$150,000 a year, was not announced.

The purpose of this association will be to attain and maintain the highest possible standard of motion picture production and to develop to the highest degree the moral and educational value of the industry, Mr. Hays said.

A statement issued by the producers expressed confidence in Mr. Hays' ability to direct the industry to its predestined place of importance in the civilization of today and tomorrow.

The producers whose names appeared on the formal announcement as the committee in charge of forming the association were, Adolph Zukor, William Fox, Marcus Loew, Lewis J. Selznick, A. C. Cole, Samuel Goldwyn and Carl Laemmle.

SPANISH WAR SHIPS TO ALHUCEMAS

Madrid, Jan. 18.—Announcement was made today that a Spanish war ship had sailed for Alhucemas to transport a group of Spanish troops who have been held prisoners for some time by the Moors. Before this announcement was made a mass meeting was held in a Madrid theater, attended by many relatives of the prisoners. Strong demands were made for prompt action for their release.

PREMIER LENINE TO ATTEND CONFERENCE

Riga, Jan. 18.—Premier Lenin will represent Soviet Russia at the coming Genoa conference on the condition that the various governments permit the Russian cheka, or secret service to organize a complete system to guard him safely during his absence from the soviet capital, according to semi-official advices from Moscow today, received here by Latvian authorities.

SHIPPING BOARD WILL BE FREE OF DEBT BY JULY 1

Statement by Board to House Sub-Committee

(By The Associated Press)
WASHINGTON, Jan. 18.—Confidence that next July 1, the shipping board will be free from debt except for possible court claims pending against it, was expressed today in a statement by the board summarizing testimony of its officials at executive hearings before the house subcommittee which drafted the independent officers appropriation bill. The measure carries \$100,459,000 for shipping board expenses during the coming fiscal year of which \$50,000,000 is for the settlement of claims out of court.

The bill also would continue the use of such portion of the \$55,000,000 from sales, authorized a year ago as remains uncollected at the end of the current fiscal year and would prohibit the board from paying to the navy a liability of \$15,000,000, growing out of work done for the board by the navy. The estimate of the board's financial condition at the beginning of the coming fiscal year is based on the expectation that congress will approve the recommendation that the \$55,000,000 be made continuing, and the section relative to the navy liability. The board's statement expressed the hope that subsequent legislation would be enacted forgiving the debt to the navy.

The board estimated that by the end of the current fiscal year it will have realized only \$25,000,000 out of the \$55,000,000 authorization. With cash on hand July 1, last, together with current appropriations from congress a \$12,000,000 deficiency to be voted for construction \$25,000,000 from the liquidation of the \$55,000,000 allotment and by reducing the amount in hand to agents something over \$4,000,000, and the forgiving of the navy debt according to the board's statement it will have sufficient funds to pay all debts within \$12,000,000.

If the \$55,000,000 is made continuing it is estimated that \$20,000,000 will be left for the board to realize in the coming fiscal year which would pay the \$12,000,000 deficit. This amount the board said may be made to finish reconditioning of former German ships and for liabilities which have not yet been isolated.

Summarizing its liabilities the board estimated that its operating loss for the current fiscal year would be \$56,000,000.

The sections of the appropriation bill applying to it are approved as drafted the board figured it could settle every debt it has, known and contingent save such as may come from the settlement of court claims.

CRIPPLED SCHOONER LOADED WITH LIQUOR

(By The Associated Press)
NEW YORK, Jan. 18.—When the motor schooner Bertha A. was run down by the British Steamship Sheaf Field and was forced to put into quarantine today, federal officials claim they found 1900 packages of assorted liquors in her hold and evidence that the little craft has been engaged in extensive rum running operations.

Customs officials seized the vessel and placed Captain Charles Lake and Victor Mattson one of the crew under arrest as violators of the Volstead act. Had it not been for the accident in which the Sheaf Field crashed into the Bertha A. federal officials declare the craft would have remained anchored off the Highlands, where the collision occurred, until emptied of liquors by small crafts operated by local bootleggers.

WOULD USE BEER AND WINE TAX FOR ROADS

Chicago, Jan. 18.—A resolution proposing to use the revenue derived from taxes on light wines and beer to building the new highways of the future in the United States was introduced today at the National Good Roads Congress in session here. Canadian delegates to the American Road Builders' association told the convention that the revenue gained from intoxicants in the province of Quebec is sufficient to pay off the public debt in twenty years, take care of a large part of the educational fund and in addition construct all highways. The resolution will be acted on Friday.

NEW GOVERNMENT IS GETTING READY TO TAKE UP ITS WORK

Ireland's New Government is Prompt in Fixing Itself in Saddle—Various Officials Have Been Allocated—Bank of Ireland Loans New Government 1,000,000 Pounds

(By The Associated Press)
DUBLIN, Jan. 18.—James McMahon, undersecretary for Ireland, and A. W. Cope, assistant undersecretary, spent the greater portion of the afternoon at the Mansion House, which for the present is the headquarters of the new government, presumably in consultation concerning the details of the transfer of powers as outlined in an official statement tonight.

The money difficulty has been surmounted by an arrangement with the Bank of Ireland, which has agreed to a loan of £1,000,000 to the provisional government.

The statement of the publicity department relative to the details of the transfer shows that every government department has already come under the provisional ministry, and all persons are directed to carry on until further orders.

The various officials have been allocated as follows:
Michael Collins, as minister of finance gets eleven, including the board of works, customs and excise and the ministry of pensions.
Eugene J. Durbin, minister of home affairs, takes nine beginning with the chief of police of Dublin Castle, and the constabulary and winding up with the office of Ulster king of arms. He will also have charge of the office of the chief crown solicitor, who is responsible for criminal prosecutions, and takes over as well the chief legal department.

Kevin O'Higgins, minister of economics, has four departments, including the board of trade, and the ministry of transports.
Joseph McGrath, minister of labor, is placed at the head of the British department of the ministry of labor.

Patrick Hogan, a young solicitor is given charge of the congested district board and all the agricultural departments, including the land commission.
William T. Cosgrave, minister of local government, will have charge of the department of public health, the asylums for the insane, industrial schools and census office; Finian Lynch, minister of education, will have control of all the educational departments, managing all primary and intermediate schools.

Diarmid O'Hegarty, secretary of the new ministry, will have charge of the stationery office and civil service commissions.
J. J. Walsh is placed over the general postoffice in Dublin.

Notice is given that certain departments in the list will no longer be required, and their present activities will be concluded as soon as possible.

UNION SECRETARY SAYS UNION READY FOR ARBITRATION

Meat Cutters Would Discuss Grievances With Packers

(By The Associated Press)
CHICAGO, Jan. 18.—The Amalgamated Meat Cutters & Butcher Workmen of North America is now, and always has been, ready to arbitrate with the packers the grievances which caused the union to strike, Dennis Lane, secretary of the union said tonight in discussing the announcement that the government will tender its services in an effort to arbitrate the differences.

"I know nothing about the government's plans except what I have read in the newspapers," Mr. Lane said. "The union however, is now and has always been ready to submit the dispute to arbitration, believing the matter can be settled thru arbitration."

Representatives of the large packing companies tonight renewed assertions made during the day that plants were operating at normal and that there was no question to arbitrate maintaining that an agreement had been reached with employers thru plant conferences.

STRIKERS ARRESTED AT DENVER, COLORADO

DENVER, Colo., Jan. 18.—Twenty striking packing house workers and sympathizers were arrested at the gate of the Denver Stock Yards today and placed in the city jail on charges of picketing. The arrests were made following reports to the police that men going to work were being molested and prevented from passing thru the gates by pickets.

SEEK TO PREVENT DISAGREEMENT ON TARIFF MEASURE

Republicans Will Try to Reach An Accord

(By The Associated Press)
WASHINGTON, Jan. 18.—With a view to minimizing the possibility of a disagreement in conference which might make necessary the re-writing of practically the entire tariff bill, Republicans of the senate finance committee and the house ways and means committee soon will seek to reach an accord on the basic principle which is to make up the bill.

Conferences between the membership of the two committees before the bill is reported to the senate will be a somewhat unusual procedure, but it is claimed that in the end this plan probably will save much time. It is pointed out that the ad valorem rates to be written into the bill will be dependent upon the principle upon which the duties are to be assessed, and that a change in that principle in the conference between the house and senate after the latter has passed the bill would make necessary a change in certain great majority of the ad valorem rates.

House leaders are prepared to abandon the original American valuation plan as written into the house bill, in favor of some one or a combination of plans now under consideration by the finance committee.

The majority of members held another session today without arriving at any agreement. The experts continued their controversy before the committee with the upshot that they were directed to reduce their various proposals to writing and accompany them with any arguments or explanations they might desire to make.

After the plans and arguments are reduced to writing it is the plan of the majority committee members to study them and reach a decision. Then conferences with Republicans of the house ways and means committee will be started.

One thing the voluminous report of the affairs of the Illinois Telephone Company filed with the state commerce commission proves is that officials of the company are not overpaid. In fact, the salaries have not been changed for years and the modest figures given caused surprise to the members of the commission.

What better argument could be found against militarism than the present day condition in Russia? There 15,000,000 men are under arms and ten millions are starving. That is a condition to which militarism eventually leads.

The report of special investigators sent to Europe shows the certain need that exists there for liberal shipments from the United States of grain and other food stuffs. The report will cause no special surprise since it is quite in line with estimates previously made the next question producers will ask is, why in the face of such a foreign demand and the acknowledged fact that exports

of some grains have exceeded those of the previous year—sharp advances do not come for the staple grains.

CONGRESSMAN SHAW TO SEEK RE-ELECTION.
Congressman Guy L. Shaw of Hardtown has announced his nomination for the Republican nomination in the primaries to be held next April. It is presumed that Mr. Shaw will later find time to make quite an active campaign throughout the district. His term of service has been only a little more than a year, but during that period Mr. Shaw has shown an earnest desire to give his best attention to the wishes of his constituents.

Men and women in all counties of the district can testify to the fact that Congressman Shaw has lent a ready ear to their communications and has at all times kept the interests of the district and his constituents uppermost in his mind.

Throughout his term Mr. Shaw has given his loyal support to the administration and has sought in every way possible to aid the Harding policies. So it can be assumed that in seeking the renomination and election Mr. Shaw is standing upon his good record.

IN THE WORLD OF BIG BUSINESS.

Even a laymen not accustomed to financial reports can gain some knowledge of finance and big business by reading the annual report of J. Ogden Armour, president of Armour & Co., just made public. This report accompanied the Armour & Co. financial statement of assets and liabilities, showing the solid solvent condition of the great corporation notwithstanding the losses of more than \$31,000,000 incurred during the past year.

Columns could have been written

ten about the finances of the company and not have been as illuminating as Mr. Armour's brief and pointed paragraphs. Every word carries its meaning and there are no terms with which the average reader is not familiar.

Mr. Armour thus tells the story in the matter of fact way about the business of a concern with assets running not far from the \$500,000,000 mark. It is interesting to think in this connection that the only object such a man as Mr. Armour can have in business is to make it a success, beneficial to the stockholders and the company. The making of a few more million dollars can mean nothing to him, as he already has all that money can possibly buy.

Mr. Armour, it is said, can be seen each week day morning before 7:30 o'clock traveling in his automobile toward his offices, and he arrives there at least half an hour before the average employee. Those who know this leader of business men intimately say that he is actuated largely by the feeling of the responsibility of men who manage large affairs, to the public. He believes that the ownership and operation of big lines of business in a matter of public trust. He believes that it is his duty and the duty of the men associated with him to manage these affairs successfully, not merely that they may make money but that they may contribute their fair proportion to the stability of the business life of the country.

GRAND LAUNDRY UNDER NEW CONTROL.

Donald Butler and P. E. Newell as partners are now the owners of the Grand laundry which they recently purchased from D. M. Howe. The business is to be continued as in the past but the new proprietors both of whom are aggressive young men with some business experience, plan to make enlargements later on.

Mr. Howe has managed the business in a successful way thru a long period of years and now feels that he is entitled to a rest. This was the reason for his decision to sell the laundry.

ATTENDING CONVENTION.

County Commissioner George A. Wheeler and L. V. Baldwin county superintendent of highways, are in Chicago to attend sessions of the American Good Roads congress. Mention has already been made of the fact that E. M. Henderson, city engineer went to Chicago for the conference.

SECURITIES WORTH \$500,000 STOLEN

(By The Associated Press.)
ELKHART, Ind., Jan. 18.—Securities stolen when a registered mail pouch was taken from the New York Central station here early today were reported by the local police to have been worth \$500,000.

A packet of bonds which had been in the pouch and were found beside a ventilating grate at the post office building here were said to amount to \$100,000 and to be non-negotiable.

The police said they had no clue, but held Daniel Ingram, a negro mail messenger, pending an inquiry. The registered mail was consigned from New York to Grand Rapids, Michigan.

PUBLIC INTEREST IN COLLEGE ATHLETICS TOO GREAT

CAMBRIDGE, Mass., Jan. 18.—Public interest in football has tended to give excessive importance to college athletic contests. President W. Lawrence Lowell of Harvard University, said in his annual report to the overseers, made public today. He said the question was one that affected all American colleges and that it would be well for faculties, administrators and governing bodies to consider afresh the proper place of intercollegiate contests in the scheme of education.

"The public interest in the sport as a spectacle, has become general over the country and has increased markedly since the war. It has tended to give excessive importance to college athletic contests," he said.

PLEADED GUILTY IN FEDERAL COURT

In the Federal Court at Springfield Dennis Kennedy entered a plea of guilty to the charge of selling liquor and was sentenced to 5 months in the McLean county jail. Kennedy when arrested had two quarts of liquor in his possession and admitted to having sold some of the liquor August 15.

COLD WAVE IS ON THE WAY

CASPER, Wyo., Jan. 18.—Temperatures ranging from 16 to 36 below zero followed a general snow storm over Central and Northwestern Wyoming during the last twenty-four hours. The thermometer at Worland, in the northwestern part of the state, registered 36 below at 5:45 p. m. Douglas reported 18 below and official readings gave the temperature at Casper at 16 below. About three inches of snow fell.

MEN CHARGED WITH LIQUOR MAKING

Three men charged with Still and Mash Found On a Morgan County Farm.

The trial of Claude, Noah and Ora H. Reynolds, charged with maintaining a nuisance thru the operation of a still, was heard in the Morgan county court Wednesday with Judge Samuell presiding. The men, who came to Morgan county from Tennessee, a few months ago, were arrested by Sheriff Weatherford and deputies after complaint had been made that they were operating a still on the farm of Mrs. Celia Rooney.

A still and tank of mash together with some equipment were found in the house they had been occupying, and still further equipment was hidden in the bushes not far distant.

The defense pleaded not guilty and claimed they had been in Schuyler county for several days prior to the finding of the still. The state's case was presented by State's Attorney Robinson and Walter W. Wright appeared for the defendants. The case was given to the jury Wednesday afternoon and indications were for a hung jury as no verdict had been reached when the Journal went to press this morning.

MT. EMORY REVIVALS

The revival meetings of Mt. Emory Baptist church will close Sunday night. Evangelist Johnson continues to draw large congregations to his sermons, which are creating a spiritual wave among those who go to hear him. Last night's sermon was on the subject, "The Hand Writing on the Wall," and the scripture lesson was Daniel 5:5. Tonight's sermon will be preached from the subject, "The Eagle Stirrs Her Nest."

In the course of his remarks Rev. Johnson said: "God is still writing on the wall to the unsaved, writing their destiny, as He spoke to the king."

BOULEVARD LIGHT COMMITTEE MET

The boulevard light committee of the Chamber of Commerce will meet with the Public Improvement committee of the city council Friday evening in the Chamber of Commerce, to discuss the proposed agreement with the Jacksonville Railway and light company in regard to using the company's poles for the lights. The heavy bracket lights will be fastened to the iron trolley poles along East State street.

The Chamber of Commerce is trying to get some information in regard to agreements of this kind, from cities where these lights are in use. Letters have been sent to Kokuk, Iowa, Danville, Illinois, and South Bend, Indiana. It is hoped that answers will have been received by Friday evening.

SPECIAL MEETINGS AT L. C. CLOSED WEDNESDAY

The series of special services for students of Illinois college conducted by Dr. Cleland D. McAfee of Chicago Theological seminary came to a close Wednesday. At 9:30 o'clock there was a meeting of students, at which time Dr. McAfee made a half hour's address. Then in the afternoon came the final meetings of the series and it was one of unusual interest and impressiveness. A large number of the students were in attendance and they paid the closest attention to the words of the speaker.

The college is fortunate in having secured a man of such high character and prominence as Dr. McAfee for this special series and it is believed that the effect will be far-reaching. Dr. McAfee won the confidence and respect of the students to an unusual degree and practically all his time during the four days he has been in the city has been taken up with personal conferences with the young people who are students at the college. Preceding the address Miss Josephine Conboy sang "Come Unto Him."

GAVE WEEKLY TALK TO STUDENTS

Rev. G. W. Randle, minister of the Brooklyn M. E. church, gave the weekly ministerial address to the students of the High school this week.

Rev. Randle talked on the subject of the need for more attention to the spiritual life of the students. The average boy and girl receives five days a week of class work compared to about thirty or forty minutes of spiritual instruction received on Sundays at the Sunday school. Rev. Randle spoke for better and more time spent in study and instruction along the lines of Christian spirit.

The ministerial union furnishes a speaker each week who addresses the student body.

FORMER WINCHESTER RESIDENT DIES

Mrs. Winnie Crabtree Holt Passed Away at St. Louis Hospital Wednesday—Other Winchester News Items.

WINCHESTER, Jan. 18.—The sad news of the death of Mrs. Winnie Crabtree Holt of Alsey, which occurred Wednesday at the Baptist hospital in St. Louis, comes as a shock to her many friends. The deceased was born and reared in Winchester, residing here until her marriage to John Holt. She is survived by her husband, a daughter three years of age and an infant son ten days old. She leaves also her father and mother Mr. and Mrs. James Crabtree, and the following brothers and sisters: Mrs. Earl Wisdom, of Winchester, Miss Margaret Crabtree of St. Louis, Roy Crabtree of Winchester.

The remains arrived Wednesday night accompanied by relatives of the deceased, and were taken to the home of her parents. No arrangements for the funeral have yet been made. The family has the sympathy of their many friends in their sudden bereavement.

News Notes.

The special union evangelistic meetings at the M. E. church were well attended Wednesday evening in spite of the inclemency of the weather. Dr. Violette's subject was "The Worst Thing in the Old Home Town." A feature of the evening was a solo by S. G. Smith.

Little Mary Kate Waters is ill with pneumonia at her home here.

Mr. and Mrs. Sam Farrington of Denver, Colo., and Mrs. Clair Cohagan and Mrs. Emma Cohagan of Abingdon are here for a visit with their mother and sister.

A short course in agriculture was begun Monday at the city hall. E. L. Dillon is giving two 45 minute periods in soils and crops each day except Saturday. During the last period outside speakers are used and the sessions are proving very interesting, altho the attendance has not been as large as hoped for. Next week lectures will be given illustrated with stereopticon slides.

On Monday Guy Husted gave a talk on "Livestock Marketing." Tuesday Clyde North was the speaker and had for a topic "The Relations of the Local Farm Bureau to the State and National associations of Farm Bureaus." Thursday W. D. Gibbs will talk on "Appraising Land." Friday John C. Moore, "Raising of Pure Bred Hogs."

John Carey is seriously ill at his home in the east part of town. He has never fully recovered from a fall sustained about two weeks since.

FORUM COMMITTEE WILL MEET TODAY.

The Forum entertainment committee of the Chamber of Commerce will meet at the Chamber this afternoon at 4 o'clock, to arrange entertainment for the next five meetings of the Forum. The personnel of the committee includes J. G. Ames, Edward Brennan, F. E. Farrell, John I. Johnson and J. S. Findley.

USES FOR A TRAFFIC BUREAU NUMEROUS

Committee Named Last Night to Organize Bureau Here Within the Chamber of Commerce.

At the meeting of shippers held in the Chamber of Commerce last night it was decided to form a traffic bureau within the Chamber of Commerce if sufficient members could be secured.

The following committee was appointed to interview manufacturers and business men with this end in view: Chas. Feldler, general chairman; Simon Fernandes, T. W. Beadles, Fletcher Blackburn, J. G. Berger, James I. Graham, G. B. Andre, Byron Armstrong, Chas. Buhner, J. A. Paschall, James Alkire, Ernest Grassley, Chas. Mackness, Robert Mullenix, Fred Hopper, Hugh Breeden.

This committee will meet again next Wednesday to work out in detail plans for their project.

It is the experience of shippers elsewhere that by united action in presenting matters to railroads in which they happen to be interested, that it is much easier to bring about the action desired. The community traffic bureau can afford individual services that would not otherwise be obtained.

Herewith are listed some of the matters which may properly be expected to come within the jurisdiction of a traffic bureau:

Community Services.
General rate readjustment.
Transportation rules and regulations.
Embargoes.
Freight and express local and line haul service.
Passenger train service and baggage registration, etc.
Extension of local retail trade areas.
Preparation and furnishing of statistics for progressive industries.

Assistance (in regard to matters concerning transportation), in the preparation of industrial surveys.
Local transportation conveniences and facilities.
Individual Services.

Quotation of freight express, parcel post, telephone and telegraph rates.
Auditing of freight and express bills.

Filing and prosecution of claims for loss, damage or overcharges.
Tracing delayed shipments.
Routing shipments inbound and outbound considering both service and cost.

Packing requirements.
Export and import matters.
Pool car and trap car arrangements.
Warehousing and distributing.
Classification of products.
Permits to ship.

Express service, local and line haul.
Protection of individual members transportation interests.
Removal of discriminations, etc.

Special service including refrigeration, heated car, switching, demurrage, reconsigning, diversion, feeding and watering of stock in transit, milling and storage in transit, etc.

Futhermore the bureau is charged with the responsibility of ascertaining at all times the competitive standing of its community in regard to the standing of nearby trade centers.

DOES LAUNDRY WORK AND HOUSEWORK TOO
Surprised to Find Herself Feeling So Well

Taunton, Mass.—"I used to have pains in my back and legs so badly, with other troubles that women sometimes have, that my doctor ordered me to stay in bed a week in every month. It didn't do me much good, so one day after talking with a friend who took Lydia E. Pinkham's Vegetable Compound for about the same troubles I had, I thought I would try it also. I find that I can work in the laundry all through the time and do my housework, too. Last month I was so surprised at myself to be up and around and feeling so good while before I used to feel completely lifeless. I have told some of the girls who work with me and have such troubles to try Lydia E. Pinkham's Vegetable Compound, and I tell them how it has helped me. You can use my testimonial for the good of others."—Mrs. BLANCHETTE S. VIA, 59 Grant St., Taunton, Mass.

It's the same story—one friend telling another of the value of Lydia E. Pinkham's Vegetable Compound.

MANUFACTURING FACTS IN ILLINOIS CITIES

Records From the Census Are Made Public—Jacksonville Showed Substantial Increases in Values of Materials and Products.

The department of commerce, through the bureau of the census, has announced a preliminary statement of the general results of the 1920 census of manufacturing covering the year 1919, for the cities of Illinois with a population range from 10,000 to 25,000. The figures are preliminary and therefore subject to change.

The census of manufactures, 1919, like that of 1914, excluded the hand trades, the building trades, and the neighborhood industries, and took account only of establishments conducted under the so-called factory system. The word "establishment" as used in the census reports may mean more than one mill or plant provided they are owned or controlled and operated by a single

individual, partnership, corporation or other owner or operator, and are located in the same town or city.

The reports were taken for the calendar year ending December 31, 1919, or the business year of the establishment most nearly conforming to that calendar year. The census inquiry calls for the total amount of capital, both owned and borrowed, invested in the business, but excludes the value of rented property.

In addition to the component materials which enter into the value of products, the cost of materials in this summary includes the cost of fuel, mill supplies, and rent of power and heat.

The value of products represents their selling value or price at the plants as actually turned out by the factories during the census year, whether sold or on hand.

The figures for Jacksonville show very substantial increases in the number of persons engaged in manufacture and a very large increase in the materials used in manufacture and the value of products. The figures for Jacksonville are as follows:

Jacksonville—Population, 15,713	1919	1914	Pct. In.
Number of establishments	59	63	12.5
Persons engaged in manufactures	1,307	1,162	12.5
Proprietors and firm members	54	67	—
Salaries employees	162	163	-0.6
Wage earners (average number)	1,091	932	17.1
Primary horsepower	1,830	2,855	-35.9
Capital	2,857,000	1,780,000	60.5
Services	1,270,000	671,000	89.3
Salaries	334,000	172,000	94.2
Wages	936,000	499,000	87.6
Materials	5,177,000	1,350,000	280.7
Value of products	7,127,000	2,355,000	262.6
Value added by manufacture (value of products less cost of materials)	1,950,000	995,000	96.0

Some figures as to other cities are given by way of comparison: Alton—Population 24,682; persons engaged in manufacture (1919) 3,685 by comparison with (1914) 3,061, which shows a percentage increase of 20.5. BANK OF NATIONS IS SUGGESTED BY SENATOR HITCHCOCK

Would Put the Business of the World on Credit Basis

(By The Associated Press)

NEW YORK, Jan. 18.—A bank of nations, with the United States as majority stockholder, an international trade "dollar" as a substitute for gold and conduct of world business on a credit instead of a cash basis were advocated by United States Senator Hitchcock in an address today before the American Manufacturers Export Association here.

Senator Hitchcock discussed a bill which he has introduced in the senate providing for establishing such a bank of nations, with \$2,400,000,000 capital. The United States, he said, would hold \$1,300,000,000 of the stock and bankers, importers and exporters of this country another \$200,000,000 leaving the remaining \$900,000,000 to be purchased by the leading nations of the world thru the public.

Headquarters would be at New York.

The directors would have power to issue currency to be known as the international dollar which would eliminate the continual shipment of gold between countries according to Senator Hitchcock's plan.

Asserting "that credit represents the difference between the most business enterprises of civilized man and the insignificant operations of primitive man," Senator Hitchcock told the association that the practical collapse of national commerce is due to the fact that nations are "trying to do business for cash."

Nations within their own boundaries, conduct nine tenths of their business on credit the senator said adding that if the United States or any other nation suddenly was compelled to do business for cash there would be an enormous shrinkage of business. Business between this country and Europe has been slashed in half in a single year, he asserted, because America demands cash on delivery and Europe cannot pay.

R. N. A. PERFECTED NEW ORGANIZATION

Meeting of Representatives from County
Camps Was Held Here Yesterday—Local
Camps Initiate Large Classes—Supreme
Officers in Attendance

Royal Neighbor camps of Morgan county met in Odd Fellows temple, East State street, Wednesday afternoon and perfected a county organization. There was a large representation of county camps present and much interest was shown. It was decided to hold a big county meeting at Murrayville next September.

The organization elected the following to serve for the ensuing year:

County oracle—Loudella Seymour, Murrayville.
County vice-oracle—Pauline Gomes, Jacksonville.
Chancellor—Ada Smith Chaplin.

Recorder—Hazel Timmons, Jacksonville.

A number of supreme officers were present at the afternoon meeting and held a school of instruction. Dr. C. R. Bradley of this city extended welcome to the supreme officers and visiting delegates. Addresses also were made by Mrs. Alice Gilliland, supreme recorder; Dr. Hada Carlson, supreme physician; Mrs. Dell Newton, state supervisor of deputies; Mrs. Belle Potts, district deputy and Mrs. Birdie Morris, district deputy.

Following the school of instruction and addresses the class of 100 juveniles was initiated at 4 o'clock. Following this the supreme officers and deputies were entertained at dinner at the Dun-

lap hotel by members of the local camps.

At 7:30 o'clock in the evening the initiation of the class of 175 adults to Athens and Star camps commenced. The degree work was given in a splendid manner by a special degree staff which has been rehearsing for several weeks. The paraphernalia and properties for the work were sent from the head camp at Rock Island and added much to the beauty of the ritualistic work.

A special feature of the initiation was a candle light drill by twenty-four women. The work was witnessed by an audience that completely filled the large temple. Frappe was served afterward and there was a brief social time, during which many members met the supreme officers.

Those taking part in the candle drill were: Mary R. Davis, Effie Allen, Elsie Heber, Jennie Miller, Barbara DeFries, Louis Miller, Ruth DeWitt, Mary Eaton, Olga Perry, Dorothy Huffman, Florence Quinlan, Hazel Timmons, Mary A. Olds, Zella Kilham, Ethel Opperman, Vina Namara, Azella Casey, Emma Baptist, Alta Schneider, Hattie Jackson, Elizabeth Moore, Ruth Smith, Mae Doolin.

The list of candidates for Athens Camps, 4980 includes: Emma Joseph, Ruth Kent, Ethel Aisman, Florence Carl, Effie Sellers, Lela Riggs, Edna

"THE BAT" SCORED SUCCESS AT GRAND

Production of Play of Mystery and Thrills Enjoyed by Great Audience.

"The Bat," said to have made the most successful run ever achieved by a theatrical attraction in Chicago, appeared at the Grand Opera House Wednesday night. An audience was present that completely filled the theatre and everyone present was enthusiastic over the production.

"The Bat" is known as the joint work of Mary Roberts Rinehart and Avery Hopwood, certainly one excellent reason for its marvelous success. The story of "The Bat" has been kept a secret, that is, so far as the press is concerned, and the authors of the story and the managers of the theatres have asked that this secret be kept. In other words, if you would know the story of "The Bat" you must see it presented or find someone who has been in a "Bat" audience and is willing to tell you about the production.

Suffice to say that it is a story of mystery and thrills, with a happy intermingling of comedy. The suspense is maintained until the very end of the final act, and the auditor who makes up his mind as the play progresses just what the outcome is to be finds his theory all awry by the surprising denouement. The cast includes only 8 or 10 people and consequently there is demand for real ability. Without it "The Bat" would be a very flat, uninteresting production and it can be said that the presenting company in Jacksonville met every requirement. A number of people in the audience had previously seen the Chicago production and pronounced the one here equal in every way.

The management of the Grand is to be complimented for bringing this attraction to the city.

Virginia Vedder came in from Nortonville Wednesday to look after business.

J. T. Drinkwater of Virginia was among the city arrivals yesterday.

SCOTT COUNTY MAN RUNS AMUCK IN FORD

P. Taylor and his Auto, Both Loaded With White Mule Runs Down Boy on Bicycle.

Loaded with White Mule and proud of the fact, C. P. Taylor of Bluffs ran amuck in a Ford car on East State street Wednesday afternoon. He first ran down Ralph Floyd of 602 Sheridan street who was riding a bicycle. Fortunately Floyd fell under the car and between the wheels and was not run over.

However, the bicycle was caught in the car and dragged for nearly a block. Finally Taylor ran on the walk in front of the postoffice and collided with the iron railing around the lawn which stopped his mad career.

By this time the police had been notified of Taylor's escapade and soon arrived on the scene and placed him under arrest. Taylor was making known to the multitude that he was drunk and didn't care who knew it. B' Gosh!

The police took Taylor in charge and searched his car. In it they found four gallons of white mule and Taylor apparently had about that much more inside, the police said. He was taken to the station and locked up.

Today he will be arraigned on the charge of transporting intoxicating liquor and reckless driving. It also is probable that the charge of driving a car while intoxicated will also be lodged against him.

Fortunately Floyd was uninjured by Taylor when knocked from his bicycle. He received a good coating of mud in his fall to the pavement. Taylor never stopped to see what had happened but Floyd got the number of the car as he zigzagged on up East State street where he finally was brought to a halt by hitting the railing in front of the postoffice.

MANY TO ATTEND SANITARY MEET

Members of Citizens Sewer Committee Will go to Decatur—Interesting Program Outlined.

Almost all of the Chamber of Commerce Citizen Sewer committee and a number of other citizens will attend the 37th annual meeting of the Illinois Society of Engineers, which will convene at the Hotel Orlando in Decatur, January 24, 25 and 26.

Letters are being sent out from the Chamber of Commerce to a number of citizens inviting them to attend this meeting of the society, which will deal largely with sanitary districts as proposed for this city.

The interesting part of the program for the Jacksonville team will occur Tuesday evening January 24th when subjects relating to sewage problems will be discussed. The program for that time follows:

W. S. Shields—Presiding Officer.

Sanitary Districts—Paul Hansen.

Indianapolis Sewage District—Jay A. Craven.

Decatur Sanitary District—W. C. Field.

Sanitary Districts in Illinois—Harry F. Ferguson.

Provisions for Storm Water Run off in City Sewers—Charles B. Burdick.

All of the delegates to the meeting will also be taken on a trip of inspection thru the Decatur Sanitary District on Tuesday.

The Citizens Sewer Committee includes the following men: J. P. Claus, chairman, H. M. Capps, F. J. Waddell, Albert Metcalf, Thomas Flynn, H. L. Caldwell, F. E. Farrell, W. E. Thompson, J. H. Dial, Earl Spink, G. C. Guthrie, W. L. Shibe and J. J. Reeve.

A large number will be present from Jacksonville as most of the above men have arranged to go and many more will doubtless accept the Chamber of Commerce invitation.

FUNERAL OF GREENE

COUNTY RESIDENT TODAY

White Hall, Jan. 18.—Announcement was made this morning that funeral services over the remains of Joseph W. Patterson will be held in the church in Patterson at 11 o'clock Thursday, the discourse being delivered by the dean of Baptist ministers, Rev. T. N. Marsh, of Alton. Mr. Patterson was a native of Patterson township, member of a family that has been prominent in the annals of Greene county for three generations. He was a son of the late Lemuel J. Patterson. He had resided just east of the corporation limits of Hillview for a number of years, and there his death occurred at 11 p.m. Tuesday, the result of pneumonia and complications. He was a member of the Baptist church and a charter member of the M. W. A. camp of Patterson. The wife, a son and three daughters survive. The age of the deceased was 67 years.

The deceased was an uncle of Buel Patterson, the Chicago financier. The burial will be in Pine Tree cemetery at Patterson.

MEMORIAL SERVICES AT CHRISTIAN CHURCH

Tributes Paid to Members Who Have Passed On to the Great Reward During the Past Year.

Following a custom of some years' standing, a memorial service was held at Central Christian church Wednesday night. The roll call was called of the members of the church who have passed into the great beyond during 1921. Then the opportunity was given for any persons present to speak in a personal way of the departed. No formal tributes were paid but each person so disposed made mention of the characteristics and worth of the deceased members.

The names on the 1921 memorial roll are: Mrs. Emma Brown, Mrs. Hannah Traylor, Mrs. Annie Boddy, O. E. Tandy, William Eaton, Mrs. Mary Green, Mrs. Mary Scott, M. R. Fitch, C. M. Gilley, Mrs. Anna Taylor, Mrs. Selota Jasper, Mrs. Mary Coffman, Mrs. Delphia Greaver, Mrs. Josephine Jaeger, Mrs. Bessie Parks Andell.

This was the order of service last night:

Hymn.

Invocation—William Crum.

Hymn.

Scripture Reading—Charles Mathis.

Special Music—Mrs. William Crum, Miss Crum.

Memorial Talks on Lives of Deceased Members.

Hymn.

Memorial Prayer—Rev. M. L. Pontius.

Special Music—Quartette, Leah Tayman, Irene Tayman, Yale Pontius, Orville Patton.

Benediction—Clark Rice.

FATHER AND SON BANQUET DATES ARE FIXED

Plans are being arranged for the observance of Father and Son day in Jacksonville thru the co-operation of ministers and laymen. At a recent meeting of the Ministerial association a committee was appointed including Rev. M. L. Pontius, Rev. George E. Stuckney and Rev. A. P. Howell, to attend to part of the arrangements.

Sunday, Feb. 5, is to be devoted to the Father and Son movement and ministers are expected to preach sermons appropriate for this observance. The Congregational and Westminster churches have already planned their Father and Son banquet to be held Monday evening, Feb. 6, and the speaker for the event has been secured. It is for this reason that these two churches will not have a banquet on Thursday, Feb. 9, the date chosen for general observance. It is understood that practically all the Protestant churches of the city will unite in this movement.

TUBERCULOSIS SANATORIUM ALMOST READY FOR USE

W. R. Turnbull of Waverly, member of the county tuberculosis board, visited the sanatorium yesterday and said last night that practically everything is now in readiness for the opening of the institution for February 1. Representatives of different organizations who have taken part in furnishing the institute will make a trip there today to hang pictures and make other preparations of the kind. Any member of these organizations who is so disposed is invited to join the party today between 10:30 and 11 o'clock.

We are authorized to announce Guy L. Shaw of Beardstown, Ill., an candidate on the Republican ticket for member of Congress, subject to the decision of the April primary.

B. C. LAIR GETS APPOINTMENT

B. C. Lair, of the firm of Graubner and Lair of this city, has received notification of his appointment as a member of the State Barbers' Examining Board. Mr. Lair will take up his new duties February 14, when the board will hold examinations in Springfield. The position is mainly an honorary one and does not carry a fixed salary. Nevertheless, Mr. Lair feels much gratified over the appointment.

The proof of my claim that I can save you a large amount on funeral expenses is best known to those who have asked my service in rendering the last sad rite for loved ones, and since then have had the opportunity to compare my charges with those of others.

For the past twenty years I have been identified with the undertaking profession of Jacksonville, but it was not until one year ago when I announced through these columns that I was starting into business for myself, that I fully realized the extent of public confidence that I have gained—a confidence I appreciate and shall treasure, and a confidence that has permanently established me in Jacksonville, the place where I most desire to live.

My appreciation in return shall continue to be shown by never taking advantage of any one in time of bereavement and grief.

By Associated Press.

CHICAGO, Jan. 18.—Wheat
prices showed an upward tendency
today as a result of prospective
better European demand together
with talk of green bugs in Texas,
Oklahoma and Kansas. The mar-
ket closed unsettled at the same
as yesterday's finish to ½ higher,
May \$1.12½ to \$1.13½ and July
\$1.09½ to \$1.10½. Corn gained ¼
to ½¢, oats finished unchanged to
¼¢ up and provisions at 2½¢
decline to a like advance.Wheat averaged higher thru-
out the day except for a brief period
shortly after the opening. The
main influence was that a liberal
quantity of wheat on ocean pas-
sage and other amounts available
for deferred shipment was said to
be changing hands. Gossip was
also current that Germany and
Portugal were acquiring consid-
erable wheat, most of it, however,
from Argentina. Reports of the
presence of green bugs in the
southwest attracted fair attention
but the effect of the news was
lessened by assertions that it was
too early for damage to develop.
Notice that a bill had been intro-
duced in congress proposing to
fix a minimum price of \$1.50 a
bushel for wheat was received but
apparently failed to inspire much if
any buying.Corn and oats paralleled the ac-
tion of wheat. Exporters were
after corn, and took 250,000
bushels here.In the provision market, pack-
ers' selling nullified an advance
which had been caused by an up-
turn in the value of hogs.Mrs. R. E. Cleary of the vicini-
ty of Ashland, was in the city
yesterday calling on friends.**ADMINISTRATOR'S NOTICE**Estate of Mary D. Fenandes,

DEALINGS IN STOCKS**ON BROADER SCALE**

By Associated Press.

NEW YORK, Jan. 18.—The
stock market today followed in its
essentials, the course set by re-
cent sessions, with the noteworthy
difference that dealings were on a
much larger and broader scale.The movement again seemed to
derive its chief support from bull
pools and other speculative in-
terests.Steels and affiliated equipments
were the outstanding issues. Their
further advance of one to almost
six points under lead of gulf
states steel was attended by re-
ports that various mergers were
approaching a definite stage.Rails were a negligible factor
thruout, despite favorable traffic
conditions.The money market presented
no new features, call loans re-
maining fixed at 4½ per cent.
More short time loans were re-
ported at 4½ per cent, but the
open rate for these accommo-
dations ranged from 4½ to 4½ per
cent. Early foreign exchange rates
were irregular, due in part to
cables which suggested banking
difficulties in Northern Europe.Late rates were firm including
bills on Sweden, Denmark and
Norway.Irregularity in the bond market
included the Liberty group.Total sales (par value) aggre-
gated \$17,275,000.**Kansas City Livestock**

HUGE LOSSES FOR YEAR SHOWN BY ARMOUR CO.

Record for 1921 the Worst Ever Known to Packing Industry—Despite Losses of More Than \$21,000,000 Mr. Armour Takes Hopful Forward Look.

The report of J. Ogden Armour as president of Armour & Co., was made public yesterday, in conjunction with the financial report of Armour & Co. and allied companies. The statement shows that the company met a loss the past year of more than \$21,000,000, but because of adequate surplus fund the standing of the company is unimpaired.

It is a matter of common interest that Mr. Armour looks to the future in an optimistic way and believes that 1922 will show much more satisfactory business conditions.

The following paragraphs are taken from Mr. Armour's very concise statement as to the operations of the huge concern:

"The year just passed was the most disastrous in our business history as well as in the packing industry in general. The post-war readjustment was one of falling prices affecting all our products. Never before was our utter helplessness in the matter of affecting prices better illustrated.

"A business such as ours must of necessity carry many millions of pounds of product in process of cure. Price declines, therefore, mean losses not only in sales but in inventory values as well. The extent of these losses can be visualized in the fluctuation in the price of live hogs which fell from a 14 cent level at the beginning of the year to a 7 cent level at the end. The loss thus occasioned made profitable operations impossible, though our principal losses for the year were incurred in fields of enterprise other than our meat lines.

"Our business has long since ceased to be one merely of meat packing. In order to distribute risks and to lessen the possibility of loss, we have engaged in the further processing of various of our by-products and of cotton oil products, etc. Whereas in normal times this distribution of risk is a safeguard, last year it increased our losses because after-war liquidation was more severe in most of these lines than it was in our main business. For instance, the Armour Fertilizer Works, the third largest concern in the industry and ordinarily a consistent profit maker, suffering in common with the whole fertilizer industry and lost eight and a quarter million dollars.

"Our volume of business last year totaled \$600,000,000—a substantial reduction from the year before but one which chiefly reflects lower prices because our tonnage decrease was less than seven percent. Despite the year's loss, which totaled \$21,709,817.52, our accumulated surplus made it possible to continue payment of possible quarterly dividends at the rate of seven percent per annum on our preferred stock—a total of \$3546,989.40 having thus been disbursed. Our surplus of \$63,000,000 assures continuance of preferred dividends.

"With losses completely written off and with inventories at current market values, there is every reason for looking forward to better times. Our raw material prices are at pre-war levels. Further liquidation is unwarranted and hardly probable. Progress has been made in adjusting operating costs to normal levels. Wages which constitute the biggest factor in this field have been reduced approximately 25 percent. This came too late to noticeably affect the past year's figure, but should prove beneficial this year. There seems to be no serious bar to the profitable operation of our business during the coming year. I firmly believe that our next annual statement will show satisfactory results.

Groves had charge of the program, taking as her subject "Darius, the Queen's Neighbor." She was assisted in the presentation of the topic by Miss Ida Lee, Mrs. George Baxter, and Miss Laura Fox.

Following the program a pleasant social hour was spent and Mrs. Grant Graft acted as chairman of the hostesses. Her assistants in entertaining were Mrs. S. T. Erickson, Mrs. H. B. Filson, Mrs. L. A. Frost, Miss Laura Fox, Mrs. R. A. Gates, Mrs. Mary George, Mrs. J. I. Graham, Mrs. H. L. Griswold, Mrs. C. A. Goodale, Miss S. E. Groves and Mrs. J. R. Harker.

U. C. T. Woman's Club Meets at Ransom Home.

The U. C. T. Woman's club met Wednesday afternoon at the home of Mrs. Homer Ransom on Pine street. Mrs. Ransom was assisted in entertaining by Mrs. James Strawn. Sometime ago the club decided to sew at each meeting either for Passavant Hospital or the Social Service League. The hours yesterday were spent in sewing on linens for the hospital. A short business session was held presided over by Mrs. Sydney Hirsch, the president. The club is steadily growing and new members are being taken in regularly. At yesterday's meeting Mrs. W. H. Weatherford was made an active member of the club.

Toward the close of the afternoon the ladies adjourned to the dining room where a dainty buffet luncheon was served. The dining room was attractively arranged in a color scheme of red and white. There were a large number present at this very successful and enjoyable meeting.

Centenary Ladies' Plan Market.

A call meeting of Circle Number 1 of the Ladies' Aid Society of Centenary church was held yesterday afternoon at the home of Mrs. C. A. Sheppard on South East street. Mrs. G. W. Randle, chairman of the Circle presided and a considerable amount of business was transacted. Among the matters brought up were plans for a market to be held at Dorward's Market on February 4th. Light refreshments and a short social hour followed the business.

Woodson Club Meets Wednesday.

Mrs. Hattie Ezard entertained the members of the Woodson Household Science Club yesterday afternoon at her home in Woodson. Mrs. R. R. Jones gave a very interesting paper on the Natural Wonders of the United States and the ladies answered roll call with some facts and suggestions about the scenic beauties of America. Mrs. Flossie Ranson sang a group of songs and after the paper the hostess gave a practical and helpful cooking demonstration. Mrs. J. C. Colton had charge of the short business session. The serving of dainty refreshments during the social hour closed the afternoon.

Wednesday Class.

Is Hostess to Mrs. F. J. Waddell was hostess to the members of the Wednesday class yesterday afternoon at her home in Duncan Place. "American Etchings" was the subject of a paper given by Mrs. John L. Johnston in which she spoke of the foremost American artists of this type, telling of their lives and best known works. At the close of the program afternoon tea was served and a delightful social hour passed.

Pisgah Missionary Society Met Yesterday.

The regular monthly meeting of the Woman's Missionary Society of Pisgah Presbyterian church was held Wednesday afternoon with Mrs. James Holmes and daughter. There was a good attendance of members. The president Mrs. Frank Drury opened the meeting by reading several interesting articles from the Missionary Magazine. Most of the afternoon was spent in discussing plans for the year. Programs will be ready by the next meeting the time of which will be announced in the Journal. The hostess served refreshments.
